

Gentleman:

The Wisconsin Handball Association (WHA) was formed to promote the activities of competitive Handball and for the development of NEW players.

The *Milwaukee Classic* was a huge success and had an outstanding turnout from all over the Midwest and a nice group from around the state. Results are posted @ ushandball.org

The *Ray Neveau Doubles* was recently completed with downsize from the past years , but still a great opportunity to see and mix with the other players from around the state. The Hot Dogs are still the real reason people come to Oshkosh.

Open: John/Andy Nett A: Josh Pinter/ Evan Woodington Master: Tim Coates/ Rocky Kerswell

Golden: Scott Santaga/ "Rickey's "Raffaelli Upset---- Congrats to all

We currently have a website to help promote the tournaments and need to upkeep this.

Nothing is free. Below is a renewal notice to update your membership. Also enclosed are the entry forms for the State Doubles and State Singles, which also can be found on the website.
